Subject: (Region VI) Mass Production and Supply and Delivery of Science and Mathematics Equipment for public schools in Grades 1 to 3 and Grades 4 to 6 of Bureau of Learning Resources (Cebu)

JESSE M. GOMEZ, CESO V
Schools Division Superintendent
Division of Aklan
Region VI

Dear **Dr. Gomez,**

Cheers to you and to all the staff in your Division!
This has reference to the email of the Contract Management Division (CMD), Procurement Management Service, DepEd Central Office informing your division of the letter we sent to all public schools in your division thru an email in February 2017.

The letter to the public school contains a delivery information sheet for the school to accomplish. This delivery information sheet's objective is to monitor the deliveries of Science and Math Equipment under the project "Mass Production and Supply and Delivery of Science and Mathematics Equipment for public schools in Grades 1 to 3 and Grades 4 to 6 of Bureau of Learning Resources (Cebu), formerly the National Science Teaching Instrumentation Center (NSTIC).

We wish to inform you that as of 30 June 2017, there are still some public schools in your division that have not yet submitted the accomplished forms nor acknowledged receiving the letter.

In this connection, CMD would like to request your kind assistance to coordinate with these public schools to facilitate the submission. Attached herewith are the list of public schools with no submission and the delivery information sheet to be accomplished, for your reference.

Please note however, that we also are currently monitoring a new project as of 2017 (*Mass Production, and Supply and Delivery of Science and Mathematics Equipment Packages to Public Elementary Grades 4 to 6 and to Senior High School, Grades 11 and 12).*

To avoid confusion, we have provided different blank forms to be accomplished by the recipient schools. Please be guided by the table below to distinguish the old from the new project, which are both monitored by the CMD office.

Key Identifying Factors to Differentiate the Two Projects Being Monitored		
Project	Old (On Follow up)	New (Current)
Item Descriptions	SME Kit (please refer to the sent attachments)	SME Kit (please refer to the sent attachments)
Recipient Grades	1 to 3 and 4 to 6	4 to 6 and 11 to 12
Delivery Period	2016 (completed)	2017 (ongoing, until Oct for the SHS)
Where to Send/Email submission	depedpscmd@gmail.com	procms.cmd@deped.gov.ph

We strongly advise the schools to accomplish the forms completely and not to alter any content of it, except for the required fields to be filled in. They may submit using the formats: MS Word, MS Excel, JPEG or PDF.

For any clarification, concerns in this regard, we may be contacted at (02) 635-3762.

Thank you very much in anticipation of your kind consideration and favorable response to our request.

Very truly yours,
