No. 148 s. 2017

THE 2017 MTAP-DEPED SATURDAY MATHEMATICS PROGRAM

To: Asst. Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Principals In-Charge of the Districts
Heads of Public/Private Elementary/Secondary/Integrated Schools
Division Area Coordinators

1. The Mathematics Teachers Association of the Philippines (MTAP), in collaboration with the Department of Education (DepEd), will be offering the 2017 MTAP-DepEd Saturday Mathematics Program for Regular Pupils/Students.

2. The program aims to: a) provide pupils and students with the opportunity to explore Mathematics without the threat of tests; b) review the materials covered last school year to enable pupils/students to do well in Mathematics this school year.

3. The Saturday Mathematics Program for Regular Pupils/Students will be conducted in six (6) Saturdays, from 8:00 a.m. to 12:00 noon from August 5 to September 9, 2017. A written permit from parents is necessary.

4. There will be a fee of two hundred pesos (Php 200.00) for six (6) sessions which must be paid on or before August 3, 2017. This fee is to be used for teachers' honorarium, material reproduction and other incidental expenses for the said program. Strict adherence to the deadline is necessary to prevent any disorder in organizing classes on August 5, 2017.

5. The announcement, together with parent's permit and pre-registration forms, is contained in Enclosure Nos. 1 and 2, respectively.

6. Immediate dissemination of this Memorandum is desired.

ANNOUNCEMENT

The 2017 MTAP-DepEd Saturday Program in Mathematics for regular pupils/students will be conducted in six (6) Saturdays from August 5 to September 9, 2017. The classes will be from 8:00 a.m. to 12:00 noon. Students are required to attend in **uniform and with their school ID**. In case the uniform is in the wash, students may attend in their **P. E. uniform**.

There will be a fee of P200.00 for the whole series of sessions which may be paid on or before August 3, 2017. Strict adherence to the deadline is necessary to prevent any disorder and waste of time in organizing classes on the first day. Students may choose any Center convenient for them.

The program aims at providing students the opportunity to do mathematics with some open-problem solving without the threat of tests, giving students an intensive review of the material they covered in the previous year, coping with lessons this year, and preparing Grade 6 and Fourth Year students for entrance exams for Grade 7 and college levels, respectively.
