Sir:

Warm Christian Greetings!

Garcia College of Technology would like to respectfully ask for your permission and approval that we may be able to conduct an educational campaign to Grade 10 and Grade 12 students in some Public and Private High Schools in the Districts of Kalibo, Banga, New Washington, Malay and Madalag.

We will be orienting them on the Senior High School and College Program that Garcia College of Technology offers for S.Y. 2020-2021. Likewise we will be informing them of the SHS Voucher Program of the government for incoming Grade 11 and the scholarships and privileges the government and our school offer for college students.

Indeed, we are eager to let them know of the benefits of affordable, accessible, and quality education that our institution can provide them.

Thank you for your support. May the good Lord always guide and bless you.

Very truly yours,

ARNULFO Q. DISTOR, JR.,Ph.D-BM
