S I R:

May this letter reach you in a good and very sound condition. However, it is sad on our part to inform you of the situation of our fellow teacher, Mr. Jose 'Choi' M. Bandong VIII. He was rushed to ILOILO MISSION HOSPITAL on December 28, 2017 due to a blood sickness which later on found to be an Acute Myeloid Leukemia.

We have been sending prayers as well as financial help to Mr. Bandong believing we can all surpass the situation by helping each other.

However, because of heavy and continuous financial releases due to medical and blood examinations (which include transfusion and others), Mr. Bandong and his wife, Mrs. Leah who is also our fellow teacher, could no longer afford to back his dues as well as his medicines.

We therefore act on his behalf to call upon your attention and your kindest consideration regarding his situation. May we ask from your good office of any help that you can support to our fellow teacher.

Mr. Bandong is serving our school-children for almost 15 years now and has been a role model not only to teachers in our school but also from the whole district of Malay. Mr. Bandong is known to be the district's artist and designer in many events. He's been active in all school, district and division activities the reason why he's been known and loved by others in return. He is presently the District Boy Scouts Coordinator.

We are hoping for your positive response to our humble request and we would appreciate your help in any way you can. Thank you so much!

Sincerely,

SAJID PEREZ PELAYO
Teacher-In-Charge
