SUBJECT: HYGIENIC CAMPAIGN

Dear Sir/Madam:

Good personal hygiene is the first step to a good health. It protects and shields those surround you. When a person reached its puberty stage any body activities resulting to excessive sweating can lead to a body odor and body odor is the unpleasant smell produced by bacteria on the skin that can affect a person's confidence and self-esteem.

Thus, our project aims to promote awareness to individuals particularly to students, the importance of hygiene and when properly observed.

The Hygienic Horizon Health Care Team, registered under DTI Certificate No. 03455499. Would like to request a permit from your good office to allow our Health promoters and staff to conduct lectures to different schools under your Division.

Your genuine support is much appreciated.

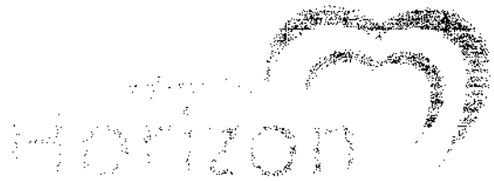

Thank you and more power!

GOD BLESS!

Respectfully Yours,
