DIVISION MEMORANDUM
No. 113, s. 2018

SKYWATCHING AND TEAM BUILDING ACTIVITY

To: **Chief Education Supervisors**
Education Program Supervisors
Senior/Education Program Specialists
Public Schools District Supervisors
Principals/Head Teacher In-Charge of the District
Heads of Public Elementary, Secondary and Integrated Schools

1. Astronomy interests not only students but also adults, particularly Science teachers. It is a very rare opportunity for teachers to experience actual skywatching activity considering the absence of high-powered telescope among schools. Skywatching activity and lectures on astronomy will help teachers have a good base of general knowledge to work with regarding planets, stars, the moon, and the sun. They will likely have done naked-eye observations before and should have the skills to do so again. Team building activity will strengthen teachers' bond and will help them understand the essence of group dynamics in a team.

2. In cooperation with the Philippine Science High School-Western Visayas Campus, the DepED Division of Aklan will be having a Three-Day **Skywatching and Team Building Activity** at **Lamberto H. Tirol National High School and Yapak Elementary School, Yapak, Malay, Aklan** on **April 20-22, 2018**.

3. The Matrix of Activities is attached on Enclosure 1.

4. Participants to this activity are the Education Program Supervisor in Science, District Science Coordinators, teacher facilitators during the 2018 Division YES-O Congress, and other Science teachers who want to join. There will only be 150 slots so it will be on "first come, first serve" basis.

5. For teachers who served as facilitators during the 2018 Division YES-O Congress, the registration is **FREE**. For those whose names are not on the list (Enclosure 2) but wanted to join, a registration fee of Seven Hundred Pesos (Php700.00) shall be collected to cover expenses for the food.

6. Participants to this workshop will be given **two-day service credits** (Saturday and Sunday) as per DepED Order No. 53, s. 2003.

7. Immediate and wide dissemination of the content of this Memorandum to all concerned is desired.

JOSE NIRO R. NILLASCA
Officer in-charge, Office of the Assistant Schools Division Superintendent
IN-CHARGE OF THE DIVISION
